Notice Regarding Filing of Shelf Registration Statement for Corporate Bonds

SATO Corporation (the Company) filed a shelf registration statement with the Director-General of the Kanto Local Finance Bureau today for the issuance of corporate bonds, as outlined below.

The purpose of the filing is to provide the Company with greater flexibility and agility in future financing activities. However, the filing should not be construed as a decision by the Company to issue corporate bonds under the shelf registration statement.

■ Overview of the filed shelf registration statement

(1) Type of securities	Corporate bonds
(2) Maximum aggregate principal amount	JPY 50 billion
(3) Issuance period	For two years from the effect date of the shelf registration statement (September 30, 2026, through September 29, 2028)
(4) Use of proceeds	To fund investments and loans, debt repayment, capital expenditures, redemption of corporate bonds and commercial paper, and working capital requirements.

The maximum aggregate principal amount represents the upper limit of the amount of bonds that may be issued during the two-year issuance period.
The Company will determine the timing, amount, maturity and other terms of issuance of corporate bonds under the shelf registration statement in a flexible manner, taking market conditions into account.
